The selection of the Finest Qualities of Lucca Oil has been made a specialty by S. Rae & Co., of Leghorn, for the last half century. S. Rae & Co.'s Finest "Sublime" Lucca Oil is guaranteed to be absolutely what it is described as, viz: The Very Finest Pure Olive Oil for eating purposes made in Tuscany, which nothing can surpass; and it is always of uniform standard excellence. A trial of S. Rae & Co.'s Brand of Lucca Oil will convince anyone of its superiority to the other brands now largely sold in the United States, and at the same time prove that the Finest Olive Oil is an excellent article of food.

We have placed this Brand of Table Oil in stock, and offer it as the best that money can buy.

THE BON MARCHE'S

BATCH OF BARGAINS

For This Week

Are unlike those you see advertised constantly by other houses. You ask how? Well, it's common sense and reason to suppose that no house can truthfully offer their whole stock as bargains, and you should suspect any house doing it. The Bon Marche will not do so, even to catch the unwary. The Bon Marche will only advertise bargains. You can compare goods as well as prices, and you also, gentle reader, will have your eyes opened.
